

Who We are

Maimoon Papers is a dedicated and innovative company that has highly qualified and certified professionals in manufacturing high end paper cups that are eco-friendly, aesthetic, and customisable! The company was founded in the United Arab Emirates in 2015, by professionals who possess detailed appreciation of paper conversion and paper supply.

The 3 D's: Determination, Dedication, Discipline have enabled our company to soar higher. Additionally our unwavering team of seasoned professionals bring value to our varied, customisable paper products through their incomparable talents and resourcefulness.

Vision

Our vision is to keep on achieving a sustainable competitive share in the international marketplace of flexible and food packaging. We wish to be more than a brand, we want to foster the community that we are a part of, to nurture and develop quality relationships with our employees, customers and suppliers.

Mission

We stand for quality and ethics. Our mission is to serve the market by pioneering in developing and sustaining reliable, affordable and high quality paper cup solutions that conform to world class standards and ethics We seek to achieve this through sound business model that is mutually beneficial to our clients, staff, investors and the wider community. We thrive when our community does.
